TRAVEL TO COLLEGE 2020/2021

QMC has a **Green Travel Plan** which commits us to cutting down car use to the site as much as possible - both for the benefit of the neighbourhood and to reduce the College's impact on the wider environment. In the current climate we anticipate that car use may increase and we will monitor this as the position becomes clearer.

When thinking about travel to College, **look for the most environmentally friendly form of transport wherever possible:**

- Consider **walking** or **cycling** to College if you live within Basingstoke. These methods of travel are cheap, keep you fit and are good for the environment. There are many safe walking routes to College and a network of safe cycle routes. Ample covered cycle parking is available at the College. There are also showers available for use and lockers in which you can store equipment.
- Take **public transport** if this is appropriate in the current climate. College buses or Stagecoach services are available on most routes to College. It takes approximately 20 minutes to walk from the bus or train stations.

- If you are being given **a lift** to College you must use the turning circle and drop-off point at the far end of Cliddesden Road. **DO NOT DRIVE ON TO THE COLLEGE SITE**. Please be considerate to our neighbours and **DO NOT** park in neighbouring streets or block driveways.
- **Parking** spaces on the site are very limited and we will manage availability on a case by case basis during the current situation.

If you wish to apply for a parking permit to access the site by car an application form is available from the Help Desk when you join. Each application will be considered on its merits and special cases will be viewed sympathetically. Parking costs £120 for the whole academic year, £80 from the Spring Term onwards and £40 for the Summer Term.

We recognise that transport represents a significant cost to families. We offer an annual pass for 2020/21 for **£475**. As the services are contracted annually, tickets are only issued on an annual basis and **payments are not refundable**. To help spread the cost we are able to accept an initial payment of £275 at enrolment, with the remaining two payments of £100 by direct debit on 1 October and 1 November 2020 inclusive. This facility is only available for the College buses, not for Stagecoach buses.

College bus places are awarded on a first-come first-served basis. **Please remember that you commit to one full year and payments are NOT refundable for part use of a College bus pass.** These services are faster and more direct than the scheduled services. They deliver you directly onto the College site, but they only run once a day each way in term time. **Your timetabled taught lessons may start and finish later/earlier than the bus schedule.** This trapped time represents valuable opportunities for personal study, homework, etc. Our buses are not used by members of the general public. The passes cannot be used on Stagecoach services. If you lose your College bus pass it will cost £10 for a replacement.

How to Apply for a College Bus Pass

To apply please complete the College Bus Pass application form and return it electronically to: QMCbuspass@qmc.ac.uk. Students should ensure they have their photograph taken as part of the enrolment process or when they start at College. Please pay by credit card wherever possible (not Amex or Solo). Please complete your contact details so we can contact you to take a card payment, or you may ring the Help Desk. Part of the payment can be made by DDI for College buses only – see application form and bring this with you to enrolment. For further information please contact the Help Desk on 01256 417500.

The Stagecoach bus pass has the advantage that it can also be used in the evenings, at weekends and during holidays, without additional payments, for travel within your area. **You must carry photo ID in support of your bus pass.** Rates for 2020/21 have NOT been confirmed. 2019 prices were:
