Please add your

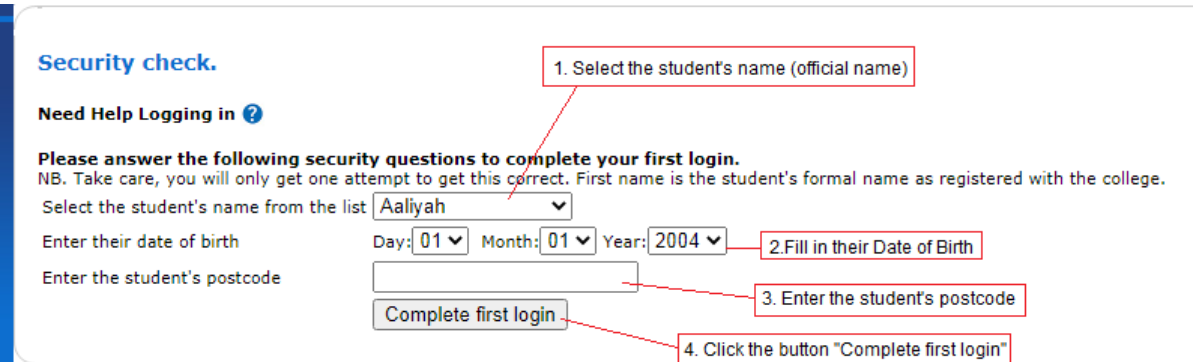

- User Id
- Password
- Security check

And then click on the “Log in” button. Please note: do not copy and paste your User id or Password as this may add spaces and not let you Log in.

The screenshot shows the VISTA login interface. A blue sidebar on the left contains navigation links: Learning Plan, Personal Data, Contacts, Timetable, Exam Timetable, Weekly Attendance, One-to-Ones, Logout, and Tools (Print, Copy). The main content area is titled "Please Login to view Student Details" and includes an "Authorisation check" section with fields for "User Id" and "Password". Below these is a "Security check" section featuring a CAPTCHA image with the characters "45145P" and a "Change Image" link. At the bottom, there are three buttons: "Log in", "Log in and change details", and "Forgotten password". A "Warning" message states: "Your browser must support cookies." Four red callout boxes with arrows point to specific elements: 1. Points to the "User Id" input field. 2. Points to the "Password" input field. 3. Points to the CAPTCHA input field and the "Change Image" link. 4. Points to the "Log in" button.

Please Note: If it's the first time logging in you will need to add security information as below.

The screenshot shows the "Security check" page. It includes a "Need Help Logging in" link and instructions: "Please answer the following security questions to complete your first login. NB. Take care, you will only get one attempt to get this correct. First name is the student's formal name as registered with the college." The form contains a dropdown menu for "Select the student's name from the list" with "Aaliyah" selected. Below are input fields for "Day" (01), "Month" (01), and "Year" (2004). A "Complete first login" button is at the bottom. Four red callout boxes with arrows point to: 1. The student name dropdown. 2. The date of birth input fields. 3. The postcode input field. 4. The "Complete first login" button.
