

Celebrating 20 years collaboration between QMC and AWE supporting Science Education in Basingstoke

The Science Centre at Queen Mary's College is a specially designed science laboratory for use by primary school children aged 4-11.

- Fun and interactive sessions, led by expert staff.
- Hands-on scientific experimentation and investigation.
- Laboratory, dark area, dedicated toilets and a fully enclosed science garden with ponds.
- Extensive range of quality equipment and resources cover the entire primary science curriculum.

Book your free sessions

Sessions can get booked up quickly so we advise booking several months in advance of your required date by emailing us at
