1 Overview

The North Hampshire Education Alliance [NHEA] is a Multi-Academy Trust [MAT] which was established in October 2017, as an exempt charity and company limited by guarantee.

The NHEA was established as a consequence of the Area Based Review process which worked through much of 2016. As part of this review process the decision was taken to establish a MAT within Basingstoke with the express aims of significantly improving the quality of 11-19+ education and its outcomes, to meet the needs of students, families and local employers and to greatly increase options, choices and opportunities for all students, thus eliminating the perceived need for students to travel outside the borough of Basingstoke and Deane for their 11-16 education.

The MAT currently has one academy within it, Queen Mary's College (QMC), a medium sized sixth form college for students who are 16+ (approximately 2,000 students). Whilst the NHEA is currently a single institution MAT it is open to growth and development. The decision to admit any institution into the North Hampshire Education Alliance Trust will be driven mainly by educational factors and alignment with the vision and strategy for the Trust.

The Trust's strategic plan 2021-24 includes the strategy:

“To use the capacity created by the Trust to work collaboratively with other educational institutions and stakeholders building on our collective strengths to give the regions' young people the opportunity to succeed, whatever their background.”

2 Vision and Values:

Vision

Our vision is for all young people within Basingstoke and North Hampshire to have the highest academic, social and practical skills to allow them to lead a fulfilling life. NHEA and QMC share the ethos of ensuring every child reaches their full potential; being aspirational and committed to academic excellence and being supportive yet courageous in our approach.

The Trust's current focus is on collaborative working to raise the aspirations and outcomes for young people locally, however, it recognizes that by growing it may further increase its capacity to bring about change. NHEA would welcome any Basingstoke and North Hampshire school to enter into the MAT on the basis of shared values, vision and commitment to educational excellence.

Values

Our work is informed by the following values:

1. **To Excel** in everything we do.
2. **To be Inclusive** in our approach to learner recruitment, teaching, learning and support.
3. **To Innovate and Inspire** in curriculum delivery and design: our best keeps getting better.
4. **To Respond** to the needs of every learner regardless of their starting points; we will empower them with the skills, knowledge and resilience necessary for success.
5. **To Enable** every member of the Trust community to achieve the extraordinary.

3 Principles of Governance

1. The NHEA governing model sets out the fundamental principles of the organisation. The model consists of the principles set out here, the Academy Trust Articles of Association and the detail set out in the Scheme of Delegation Matrix for the NHEA.
2. These Governance Principles of NHEA recognise the importance of developing relationships with common purpose and they are about developing processes and structures in an educational landscape that continues to significantly change.
3. We will continue to develop our governance arrangements to shape and take account of best practice in the sector and to ensure outstanding practice in governance.
 - o The Trust is compliant with the principles and regulations set out in the 'Academy Trust Handbook'.
 - o The Trust currently self-assesses using the National Governance Association's MAT governance self-evaluation questions for Trust Boards and Academy Committees.
4. Governance is underpinned by a common understanding about who is responsible for providing valuable input to decision making and who has the decision-making responsibility.
5. Effective governance in our Multi Academy Trust consists of the following:
 - a) Trust Members – the guardians of the constitution
 - b) Trust Board – the Directors / Trustees
 - c) Trust Board Committees
 - d) The Executive Leadership Team - the Chief Executive Officer and other senior staff
 - e) Local Governing Bodies – the Local Governors of individual Academies
 - f) The Senior Leadership Team – the senior staff of each individual Academy
6. The Trust Board has overall responsibility and ultimate decision-making authority for all the work of the Multi Academy Trust, including the establishment and maintenance of the Academies.

4 Accountability for Decisions

The Trust Board selectively delegates authority to three key groups in order to ensure the effective leadership and governance of the MAT, namely a) the CEO and the Executive Leadership Team; b) the Local Governing Bodies, and c) the Principal and the Senior Leadership Team within each Academy.

The relationship between the Trust Board, the ELT, the LGB and the SLT is characterised as a partnership to realise a common vision and a common purpose. It is also based on the principles of no duplication of governance and that governance should be as close as possible to the point of impact of decision-making. NOTE: As NHEA is currently a single institution MAT, the Senior Leadership Team for QMC also acts as the Executive Leadership Team for NHEA.

The Scheme of Delegation Matrix provides clarity as to who the decision makers are for different levels of decisions. Effectiveness of both management and governance is supported through clarity over who holds accountability, who has decision-making responsibility, who should provide support to the decision-making process, who needs to be consulted and who needs to be informed. [See Section 8]

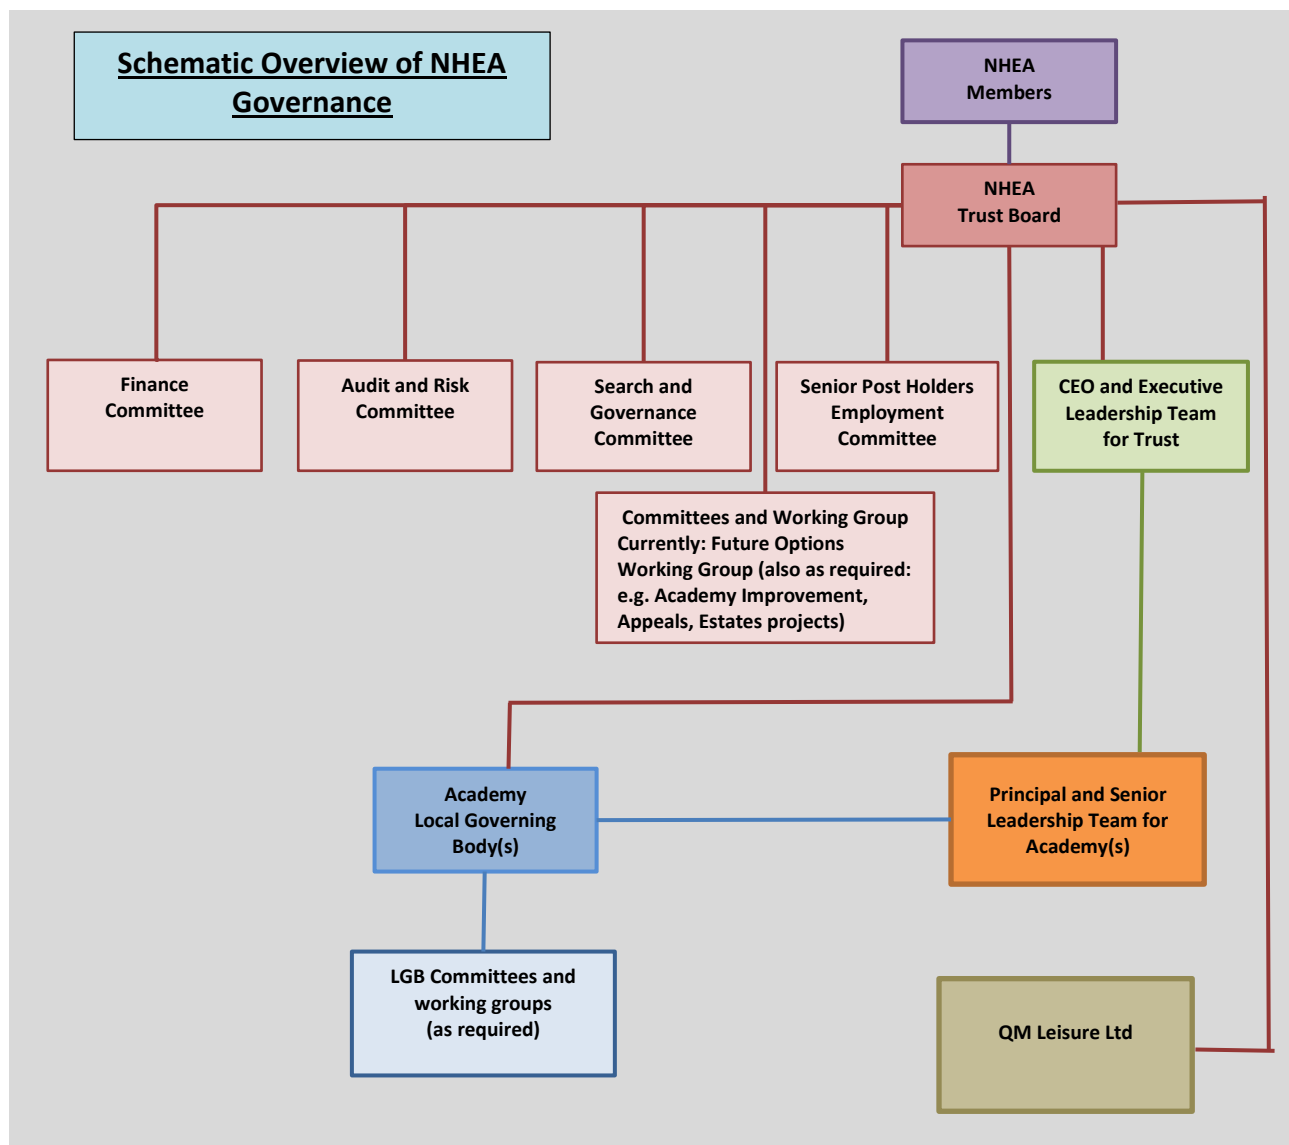

5 Management

Executive Team

The NHEA Executive Leadership Team carries out the executive management function across the Multi Academy Trust. The team focuses on operational matters within the Trust and the performance and standards of each Academy. The team operates under the leadership and direction of the CEO, who is by virtue of their position a Trustee of the Multi-Academy Trust and

includes the Chief Financial Officer (CFO). Depending on the size of NHEA, the CEO may also hold the post of Principal of one of the Trust’s Academies. The Executive Leadership Team supports the work of Principals and their staff in each Academy and with the LGB, to ensure the vision of the Trust Board is achieved.

6 Overview of Governance Elements

Schematic Overview of NHEA Governance

This diagram shows the Trusts’ governance structure. The NHEA, as a MAT, has three layers of governance (Members, Trustees and Local Governors) as well as two levels of management (Executive Leadership Team and the Academy Leadership Team). Not all of the structures represented in the schematic are currently in place but are shown as options in the diagram (for example, working groups of Local Governing Bodies). This governance structure is scalable and allows for future development of the MAT.

Members

Members are the guardians of the Trust’s Constitution, they appoint and can remove Trustees and they receive the Trusts’ Annual Financial Report. There can be a minimum of three and a maximum

of five Members. As at May 2023 the Trust has five Members, the three initial signatories of the Memorandum of Association along with two more recent appointments including the first CEO of the Trust (now retired). The Members meet a minimum of once a year.

Trust Board

North Hampshire Education Alliance is an exempt charity and company limited by guarantee that establishes and maintains Academies in accordance with guidelines laid down in its Articles of Association, and Master and supplemental Funding Agreements with the DfE. The Trust Board determines the vision, values and strategic priorities of the Trust. The Trust Board approves the NHEA annual accounts which are then received by the Members. The Trust Board is responsible for approving Funding Agreements with DfE.

The Trustees are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Memorandum and Articles of Association. The Trustees are accountable to external government agencies including the Charity Commission and the Department for Education (DfE) or any successor bodies for the quality of the education they provide and are required to have systems in place through which they can assure themselves of quality, safety and good practice.

The Board of Trustees establishes a Local Governing Body (LGB) in each academy and may choose to delegate responsibilities to them [see Scheme of Delegation, below]. However, the Local Governing Bodies are not legally responsible or accountable for statutory functions.

The trustees retain authority and responsibility for the following:

1. Compliance with the provisions of both the Master Funding Agreement and the Supplemental Funding Agreements with the DfE and of each academy's annual funding in consultation with the Local Governing Body
2. Compliance with the 'Academy Trust Handbook'
3. Annual approval of the trust budget
4. As the legal employer of all staff, responsibility for human resource policies and procedures and terms and conditions of service
5. Appointment of the internal auditors for the whole organisation, including where applicable, for individual Academies
6. Appointment, job description, remuneration, approval and dismissal of the CEO and other designated Senior Post Holders (including Principals where they are Senior Post Holders)
7. Maintenance of the fixed asset register
8. Compliance with all statutory regulations and Acts of Parliament governing the operation of the academy
9. Determination of the admissions policy and arrangements for 11-16 academies in accordance with admissions law and DfE codes of practice [Note – this is not required for 16-19+ Academies]
10. Determination of the educational vision of the academy in consultation with the Local Governing Body, including, but without limitation, determination of each academy's Academy Development Plan.
11. The constitution, membership and terms of reference of the Local Governing Body is determined by the Trustees and this Scheme of Delegation acknowledges the authority delegated to the Local Governing Body in order to enable the Local Governing Body to run the Academy(s) and fulfil the Academy's mission

Board of Trustees Membership

1. A maximum of 10 Trustees (also called directors), appointed by members on the recommendation of the Trust Board, including the CEO if appointed.
2. Additional Co-opted Trustees, appointed by the Board of Trustees.
3. The Chair and Vice Chair of the Trustees are selected annually by the Trust Board

4. The term of office for Trustees is 4 years. The Chief Executive Officer (CEO) holds office *ex-officio* as long as they are in post. Any Trustee can be re-elected or re-appointed.
5. Organisation - Quorum: 3 Trustees or one third of the total number of Trustees if greater. Two thirds of the Trustees are required to appoint or remove Trustees or remove the chair. To meet at least 4 times a year and additionally as and when required as determined by the Board. Three Trustees may requisition a meeting. There is one vote per Trustee. The Chair has a casting vote. A Trustee who is employed by the trust may not be the Chair or Vice chair and employees of the trust (including the CEO) may not make up more than one third of the Board of Trustees.

Role of the Chair of the Board of Trustees

1. Ensure the strategic direction of the NHEA whilst offering effective support and challenge at all levels of the organisation
2. To ensure the business of the Board is conducted properly, in accordance with legal requirements
3. To ensure any decisions taken are done so in accordance with the scheme of delegation
4. To ensure meetings are run effectively, focusing on priorities and making the best use of time available
5. To ensure that all attendees have an equal opportunity to participate in discussion and decision-making
6. To establish and foster an effective relationship with the Chief Executive Officer and Principals within the Multi Academy Trust based on trust and mutual respect for each other's roles
7. The Chair has an important role in ensuring that the Trustees/Governing Body acts as a sounding board to the Chief Executive Officer and Principals within the Multi Academy Trust and provides strategic direction
8. Exercise emergency powers as and when required

Trust Board Committees

All sub-committees of the NHEA Board have detailed Terms of Reference which should be referred to and which are reviewed and approved by the Board at intervals (most recently September 2022).

Finance Committee

The objective of the committee is to assist the board in meeting its responsibilities of monitoring the ongoing financial performance and forecasts, ensuring the adequacy and effectiveness of the financial reporting, the value for money of resources and the status of the estate including its ongoing maintenance.

Audit and Risk Committee

The objective of the committee is to assist the board in meeting its responsibilities for financial reporting, internal and external auditing, and risk management.

Search and Governance Committee

The role of the committee is to ensure that all governance bodies [boards and committees] are properly constituted with the right mix of capable and experienced members, to ensure an appropriate rotation of personnel through the various committees, to search for and recommend future members of the Trust Board, to constantly review the effectiveness of both individuals and bodies within the governance structure and to constantly review the effectiveness of the Trust's governance structure and make recommendations to the Board on the Trust's future configuration.

Senior Post Holders Employment Committee

The Senior Post Holders Employment Committee is tasked with the annual performance review along with remuneration review of the Trust's designated senior post holders. As at May 2023 the Trust has two senior post holders the CEO/Principal and the Deputy Principal for QMC.

Academy Improvement Committee (as required)

The objective of the committee is to support the strategic role of the board by scrutinising in-depth the standards achieved by NHEA academies and then to report its observations and recommendations to the main board. In the event of an Academy failure or reduction in effectiveness and the subsequent appointment of an Interim Advisory Board (IAB) the Academy Improvement Committee will work in partnership to support the IAB in the resolution of the identified issues.

Appeals Committee (constituted as required)

The Appeals Committee will meet according to need in order to deal with any appeals on the Executive Teams decisions where an appeal process is indicated within the Trust's various policies.

Ad Hoc Committees and Working Groups (as required)

From time to time and according to need, the Trust Board may establish an ad hoc committee to deal with, for example, capital projects.

Local Governing Bodies

The Local Governing Body's role is to exercise leadership on behalf of the trust in the running of an individual academy and to provide information to the trust on the operation and performance of the academy and to exercise its responsibilities and powers in partnership with the Principal, staff, and the Trust Board.

Each Local Governing Body has a key role to play in the overall development and success of the Trust and in contributing to joint working and sharing best practice between academies in the Trust. The Local Governing Body is a sub-committee of the Trust Body and is therefore directly accountable to the Trust Board and is appointed by the Trust Board. The Chair of the Local Governing Body is appointed by the Trustees.

It is NHEA's view that NHEA Academies should retain and develop their own unique identity whilst remaining in alignment with the vision and values of the MAT. Thus, the LGB is responsible for the definition and control of the identity of the Academy.

Where relevant and appropriate, an NHEA Local Governing Body may choose to appoint up to two Student Representatives to ensure a channel for student feedback. Such governors will be in addition to any Community, Parent, Staff or Ex-Officio Governors within the structure of the LGB and will be non-voting.

The NHEA Board of Trustees may choose to appoint an NHEA local governor to represent the NHEA on the local governing body and will have been nominated because of the added value they bring through their skills, professional expertise, local connections or wider links. The Trust board may choose to appoint a Trustee to a Local Governing Board.

Matters reserved to the Board of Trustees are specified in the Articles of Association and summarised in Appendix 2 below. The NHEA Board of Trustees delegates aspects of the running of the academy to the Local Governing Body. As Queen Mary's College is the only academy currently in NHEA, the Scheme of Delegation (below) sets out the responsibilities of the QMC LGB along with areas on which the LGB is consulted or informed. The constitution, membership and terms of reference for the QMC Local Governing Body is also set out in Appendix 4. A bespoke Scheme of Delegation and Terms of Reference will be produced for each academy that joins the NHEA.

7 NHEA Academies Scheme of Delegation

The Scheme of Delegation below is a starting point for discussions between the Local Governing Board [or the IAB] and the Trust Board. The Trust Board reserves the right to amend and vary this general Scheme of Delegation for academies within the MAT. A Scheme of Delegation for one academy within the MAT does not establish a right for the same Scheme of Delegation or the same degree of delegation for other academies. The Trust Board reserves the right to amend and change an Academy's Scheme of Delegation at any time at its sole discretion.

The NHEA Scheme of Delegation is reviewed and approved by the Trustees at least annually and is published on the Trust's website.

Note: Different terms may be used in different academies, for example, the academy development plan may also be called a quality improvement plan or a strategic plan. Also, academies receive pupil premium funding whilst 16-19 academies receive bursary funding. Some aspects of the scheme of delegation may not be applicable to all academies, for example, 16-19 academies are not required to provide a daily act of collective worship. Differences are highlighted in the table.

Scheme of Delegation Matrix: as used for Queen Mary's College LGB.

- This Scheme of Delegation Matrix includes activities that are only applicable to certain phases of education, activities not applicable to 16-19 academies are marked.
- For Queen Mary's College the Principal of the College is also the Trust CEO and the Senior Leadership Team also acts as the Executive Leadership Team. Therefore the Principal/SLT takes responsibility for activities delegated to either the CEO/ELT or Principal/SLT in this matrix.

9 Intervention

The NHEA Trust Board will quickly take remedial steps to correct any perceived failure or reduction in effectiveness of an Academy and/or its LGB. The Trust Board may choose to stand down a LGB and appoint an Interim Advisory Board (IAB) in one or more of the following circumstances:

1. Identification of weak governance at any time
2. In response to a poor annual review of governance
3. In response to the outcome of an Ofsted inspection where there is a rating decline or an academy moves into a category of serious weakness or requiring improvement
4. A sudden or unexpected dip in the academies mid-term performance
5. Any identified safeguarding concern within the academy

On appointment of an IAB, the Local Governing Body is fully disbanded and all delegated responsibilities of the LGB transfer to the IAB with immediate effect. The main function of the NHEA-appointed IAB will be to secure governance of the academy, developing a sound basis for improvement and will be in place until all relevant issues are resolved. The Academy Improvement Committee will work in partnership with the IAB to determine priorities and set targets. NHEA do not adopt a one size fits all approach and is committed to appointing IAB's which are small, focused groups. Members will be chosen on a case-by-case basis in accordance individual skill, knowledge and capability and the needs of the academy.

The IAB will be responsible for the monitoring the quality of provision and standards of achievement within the academy by:

1. Monitoring performance against targets set by the IAB in conjunction with the Trust
2. Monitoring the implementation of the policy framework set by the IAB and its impact on standards of achievement
3. Monitoring the academy self-evaluation and satisfying itself to the accuracy of this, including via external support as determined by the IAB
4. Ensuring the academy complies with statutory requirements
5. Providing robust challenge and support to the principal and SLT
6. Monitoring and evaluating progress towards post-inspection or review action points

Appendix 1 – NHEA Code of Conduct for Members, Trustees and Local Governors (including Nolan Principles of Public Life)

Approved by Board of Trustees: October 2021

This code of conduct is adapted from the model produced by the National Governance Association and is based on the Seven Nolan Principles of Public Life (Committee on Standards in Public Life 1995). The code also aligns with the more recent Framework for Ethical Leadership in Education which outlines principles that support ethical decision-making and challenge unethical behaviour in schools and trusts (Association of School and College Leaders 2019). This code of conduct (Appendix 2 NHEA scheme of delegation) is applicable to all those involved in the governance of the NHEA and should be read alongside the current scheme of delegation which sets out the responsibilities specific to NHEA Trustees, Local Governors and Senior Management. Unless otherwise specified any references in the code to the Trust/Board of Trustees/Trustee also apply to the College/Local Governing Body/Local Governor. All Trustees and Local Governors are required to confirm their acceptance of this code (one of the declarations recorded on GovernorHub).

Code of Conduct

1. We agree to abide by the Seven Nolan Principles of Public Life:

Selflessness: We will act solely in terms of the public interest.

Integrity: We will avoid placing ourselves under any obligation to people or organisations that might try inappropriately to influence us in our work. We will not act or take decisions in order to gain financial or other material benefits for ourselves, our family, or our friends. We will declare and resolve any interests and relationships.

Objectivity: We will act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability: We are accountable to the public for our decisions and actions and will submit ourselves to the scrutiny necessary to ensure this.

Openness: We will act and take decisions in an open and transparent manner. Information will not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty: We will be truthful.

Leadership: We will exhibit these principles in our own behaviour. We will actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

2. We will focus on our core governance functions:

- ensuring there is clarity of vision, ethos and strategic direction
- holding executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
- overseeing the financial performance of the organisation and making sure its money is well spent
- ensuring the voices of stakeholders are heard

As individual Trustees and Local Governors, we agree to:

1. Fulfil our role & responsibilities

- a. We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day-to-day management.
- b. We will fulfil our role and responsibilities as set out in our scheme of delegation.

- d. We agree to adhere to policies and procedures as set out by the relevant governing documents and law.
- e. We will work collectively for the benefit of the trust and the college.

- i. Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
- j. We will only speak or act on behalf of the trust if we have the authority to do so.
- k. We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
- l. When making or responding to complaints we will follow the established procedures.
- m. We will strive to uphold the trust's reputation in our private communications (including on social media).
- n. We will not discriminate against anyone and will work to advance equality of opportunity for all.

2. Demonstrate our commitment to the role

- a. We will involve ourselves actively in the work of the trust, and accept our fair share of responsibilities, serving on committees or working groups where required.
- b. We will make every effort to attend all meetings and where we cannot attend explain in advance why we are unable to.
- c. We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution and observe protocol.
- d. We will get to know the college well and respond to opportunities to involve ourselves in college activities.
- e. We will visit the college and when doing so will make arrangements with relevant staff in advance and observe college and trust protocol.
- f. When visiting the college in a personal capacity (for example, as a parent or carer), we will continue to honour the commitments made in this code.
- g. We will participate in induction training and take responsibility for developing our individual and collective skills and knowledge on an ongoing basis.

5. Declare conflicts of interest and be transparent
- a. We will declare any business, personal or other interest that we have in connection with the trust's business, and these will be recorded in the register of business interests.
 - b. We will also declare any conflict of loyalty at the start of any meeting should the need arise.
 - c. If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
 - d. We accept that the Register of Business Interests will be published on the trust's website.
 - e. We will act in the best interests of the trust as a whole and not as a representative of any group.
 - f. We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles within the trust, attendance records, relevant business and pecuniary interests and the body responsible for appointing us will be published on the trust's website.
 - g. We accept that information relating to trustees and local governors will be collected and recorded on the DfE's national database (GIAS: Get information about schools), some of which will be publicly available.

We understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions.

Appendix 5 – Election of Parent Governors

Background Information

The Articles of Association determine that Local Governing Bodies will elect Parent Local Governors. Whilst NHEA will at all times seek to comply with the above, the lack of elected Parent Governors will not, in itself, prevent the LGB from continuing to function effectively in support of the Academy.

Parent Governors are persons who are elected to the Local Governing Body of the Academy by parents of registered pupils at the Academy and who are themselves such parents at the time when they are elected. The Academy defines 'parents' as all those with day to day responsibility for a child:

- Any person who has parental responsibility for a child or young person;
- Any person who has care of a child or young person i.e. lives with and looks after the child

If the Academy Principal has any query over the definition of a parent they should consult with the CEO.

Each Parent Local Governor shall from the date of their election hold office for a term of 4 years [even if during this term their child moves on to another school/academy]. Like other Governors, Parent Governors are eligible for re-election subject to the necessary criteria continuing to be fulfilled. Elections should be held when a vacancy occurs either through expiration of the term of office or resignation of a Parent Governor. Applications should normally be sought as soon as possible, excluding the main Academy holiday periods.

Within these broad guidelines and those set out below, each Academy Principal will be responsible for choosing appropriate dates for informing parents, distributing and collecting application forms, and arranging voting as, of course, the details will vary for each Academy.

Local Governing Bodies may wish to advise parents of particular skill sets required on the LGB at that time, and/or community groups that are under-represented on the LGB but may not use these as determining factors during the election process.

The Academy Principal will have overall responsibility for organising the election. The Academy Principal will undertake the duties of "returning officer". Any candidate may appeal to the CEO if they believe the election has not been fairly conducted.

The Election Procedure

the Academy Principal must take reasonable steps to inform all those eligible to stand as candidates of the vacancy and the process for applying. A standard application form shall be sent out by the Academy Principal to all persons registered with them as parents, inviting applications for appointment to the Local Governing Body. This means that it is possible for a student to have more than two parents eligible to participate in an election.

Alongside informing parents of the vacancy and the process for applying, the Principal should also inform parents that vetting will be carried out on anyone successful in being elected as a parent governor including references and an enhanced DBS check. Persons who are aware of any information which may be disclosed may wish to discuss its relevance with the Academy Principal prior to applying.

A minimum of ten days should elapse between parents being informed of the vacancy and the closing date for applications.

Candidates should include on their application form their full name and address, together with such details as they wish to give about themselves and their reasons for applying in not more than 100 words. Should an election be required these details will be included on the voting paper.

If the number of candidates applying is the same as, or fewer than, the number of vacancies then any such candidates will be duly elected unopposed. If, however, there are more candidates than vacancies it will be necessary to proceed with arrangements for an election.

The Academy Principal will arrange a ballot:

- Election will be by simple majority vote (with the drawing of lots in the event of a tie)
- All parents are entitled to vote with one vote per parent irrespective of the number of their children attending the Academy

- The arrangements must provide for every person that is entitled to vote to do so by electronic means or by post. There will be no proxy voting
- Responsibility for counting the votes rests with the Academy Principal.

The number of votes cast for each candidate should be recorded and sent to the Chair of Trustees. Parents and Local Governors should be notified of those parents thus elected to the Local Governing Body, and a notice should be displayed in the Academy. Details of the vote should be retained securely for six months in case the election result is challenged.

DRAFT

Appendix 6 – Election of Staff Governors

Background Information

The term of office of Staff Local Governors is four years. They retire on the completion of their term of office, but like other Governors they are eligible for re-election. The Academy Principal should aim to complete the election before the next meeting of the Governing Body. If a vacancy occurs, the vacancy should normally be filled as soon as possible, excluding the main Academy holiday periods.

A member of Staff's role as a Local Governor shall mirror that of their employment, i.e should a Local Governor be suspended as a member of staff then their membership of the Local Governing Body will also be suspended and if they cease to be employed at the Academy they will cease to be a Local Governor.

Those Staff who are nominated for election must be paid to work at the Academy on the date nominations are invited.

The Academy Principal may propose, second and vote as appropriate in elections for Staff Governor(s).

The Academy Principal will have overall responsibility for organising the election. The Academy Principal will undertake the duties of "returning officer". Any candidate may appeal to the CEO if they believe the election has not been conducted fairly.

The Election Procedure

Nominations should be submitted on a standard form. A staff member may not nominate themselves.

Each nomination should be supported by two members of staff, permanent or temporary. Staff must be given a minimum of seven days for the return of nomination papers. No staff member may nominate more candidates than there are vacancies available.

Persons nominated will be asked to give, on the nomination form, such details as they wish about themselves and their views in not more than 100 words, which will be included in the voting paper. The voting paper is to be prepared in accordance with the standard format.

If the number of candidates nominated is the same or fewer than the number of vacancies, then any such candidates will be duly elected unopposed. If, however, there are more candidates than vacancies, it will be necessary to proceed with arrangements for an election.

The Academy Principal will arrange a secret ballot:

- Election will be by simple majority vote (with the drawing of lots in the event of a tie)
- Each staff member, including the Academy Principal, will be entitled to cast one vote for one candidate only in respect of each vacant post.
- The arrangements must provide for every person that is entitled to vote to do so by electronic means or by post. There will be no proxy voting
- Responsibility for counting the votes rests with the Academy Principal.

The number of votes cast for each candidate should be recorded and sent to the Chair of Trustees and Chair of the Local Governing Body.

Staff and Local Governors should be notified of those staff thus elected to the Local Governing Body, and a notice should be displayed in the Academy.

Details of the vote should be retained securely for six months in case the election result is challenged.

Appendix 8 – Conflict of Interest and Related Party Transaction Policy

Background

What is a *CONFLICT OF INTEREST*?

A conflict of interest arises when the best interests of an individual Member, Trustee, Local Governor or volunteer are, or could be, different from the best interests of NHEA Multi-Academy Trust (The Charity itself, and/or any of the Academies or Trading Companies owned by the MAT).

This may be something that affects the individual directly.

For example:

An individual owns a building company which is currently a little short on work and the charity needs some building work done. As an individual, they would like the work to be given to their company, but has a responsibility to choose the best company for the job – which may or may not be that company.

Alternatively it may be something that affects the individual indirectly, through a family member, friend, business partner or other close associate [ie a related party]

For example:

The Charity is offering a new play scheme for children with disabilities, but the number of places is very limited, an individual has a disabled nephew who would benefit from a place. As an individual there is a responsibility to ensure that all places are offered on a fair basis to those most in need – which may or may not include the nephew.

Conflicts of interest may be ongoing, for example someone who is related to a service user or is also a trustee of another local organisation, or they may be one off for example awarding a one off contract.

A conflict of loyalty is a particular kind of conflict of interest where the duties the individual owes to another body or organisation are, or could be in conflict with the duties owed to the Charity.

For example:

A trustee sits on two different trustee boards and both organisations are planning to apply for the same funding opportunity which is competitive and which only one organisation can win.

In some cases, an ongoing conflict may affect an individual's ability to participate in decisions so often or so much, that it is impractical for them to continue in post (or to accept the post in the first place)

Duty to the Academy and to NHEA Multi-Academy Trust

There is a duty on the individual to put the best interests of the NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company first and to safeguard the assets and reputation of the Charity. There is also a duty to avoid conflicts of interests.

Where conflicts do arise, there is an obligation on the individual to declare that conflict. Benefit is not limited to financial benefit, but includes favourable treatment of any kind which could be said to have a financial value. This includes biased access to services or employment opportunities.

In practice, this almost always means that individuals cannot receive benefit for their work as a Trustee, Local Governor or volunteer, in many instances they can be paid for additional services which are not part of their trustee/governance/volunteer role such as the example of the building

work given prior, provided that it is in the best interests of NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company.

Members, Trustees, Local Governors and Volunteers can be reimbursed for expenses, and these include any costs that are necessary to allow them to carry out their duties and can be claimed back (against receipts) in accordance with NHEA MAT and NHEA Academy policy.

It should be noted that the 'no benefit' requirement does not mean that an individual, or their friends and family, cannot receive services from NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company, providing that they receive them on exactly the same basis as everyone else.

There are intangible benefits to being a Member, Trustee, Local Governor or volunteer, including increased skills and knowledge, a wider circle of colleagues and friends and a sense of fulfilment and achievement. Generally, these do not give rise to conflicts of interest.

What Problems Can Arise?

Conflicts of interest can give rise to a number of problems. They may:

1. Result in decisions or actions that are not in the best interest of NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company
2. Risk the impression that the organisations have acted improperly
3. Prevent frank and open discussion

Even the appearance of a conflict of interest can damage the reputation NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company, so any conflicts need to be managed carefully and transparently.

Notes on Conflict of Interest Policy

The Conflict of Interest policy (below) makes it clear that NHEA Multi-Academy Trust is committed to ensuring its decisions and decision-making processes are, and are seen to be, free from personal bias and do not unfairly favour any individual connected with it.

The policy protects both the organisation and the individuals involved, from any appearance of impropriety, and provides guidance on what to do when conflicts of interest arise.

It provides a clear framework and process to make sure that conflicts are handled consistently and properly.

Conflict of Interest and Related Party Transactions Policy

Definition

A conflict of interest arises when the best interests of an individual are, or could be different from the best interests of NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company.

This may be something that affects the individual directly or indirectly through association.

Statement of Intent

The NHEA Multi-Academy Trust in its entirety is committed to ensuring its decisions and decision making processes are, and are seen to be, free from personal bias and do not unfairly favour any individual connected with them.

The NHEA Conflict of Interest Policy is reviewed on an annual basis by the Trustees and must comply with the guidelines within the most recent 'Academy Trust Handbook'.

Policy

It is the policy of NHEA Multi-Academy Trust, NHEA Academies or any NHEA owned trading company to:

1. Ensure that all individuals understand what constitutes a conflict of interest and that they have a responsibility to recognise and declare any conflicts that might arise for them.
2. Document the conflict and the action(s) taken to ensure that the conflict does not affect the decision making of the organisation.
3. All Members, Trustees, and staff will complete and file a Register of Pecuniary and Other Interests form and at least annually review and update this document. This document includes Related Party Interests.
4. Declare at each meeting any interest that may result in a conflict arising on the agenda.

In the interests of frank and open discussion, an individual affected by conflict of interest must leave the room when related discussion/decision making is taking place, unless there is a good reason for them to stay (and they will not participate in any vote in relation to the area of interest).

The minutes should state:

1. The declared conflict of interest
2. That the individual left the room or the reason that they were asked to stay
3. That the individual took no part in the discussion or decision making on the matter (other than information provided if requested)
4. That the meeting was quorate (not counting the affected individual)
5. Any other actions taken to manage the conflict.

The declarations made on the Register of Pecuniary and other Interests forms will be publicly available on the website in line with DfE regulations regarding declarations.

If an individual is unsure what to declare, they should err on the side of caution, and discuss the matter with the Chair of the Committee or the Chair of Trustees for confidential guidance.
